

**Subject: Auggie football at Metrodome TONIGHT!**

**Submitter: Donald W Stoner, Sports Information Coordinator, Public Relations and Communication**

**Message:** Augsburg home football game vs. Hamline to be played at Metrodome on Thursday 11/9  
<http://www.augsburg.edu/athletics/sportsnews/110806dome.htm>

MINNEAPOLIS (11/8/06) -- Augsburg College will "host" Hamline University in a Minnesota Intercollegiate Athletic Conference football contest on Thursday (11/9) at 7 p.m. at the Hubert H. Humphrey Metrodome in Minneapolis.

Free parking is available on the Metrodome upper lot, adjacent to the Vikings' ticket office. Lot entrance is off of 11th Avenue South, near the intersection with 5th Street South. Metrodome entry and tickets will be at Gate D, adjacent to the upper parking lot (above the loading dock). Gates will open at 5:30 p.m.

Tickets will be handled just like a regular Augsburg home game. Tickets are \$6 for adults, \$3 for students. Augsburg and MIAC passes will be accepted. All Augsburg students, faculty and staff get into any Augsburg regular-season home game free with ID.

If you can't make it to the game, you can listen to the action live online, through Augsburg's live audio webcast (Stretch Internet). Go to <http://www.augsburg.edu/athletics/liveaudio/> for the webcast on Thursday night.

The game will mark the 17th season in a row that Augsburg has played a football game at the Metrodome. Augsburg will be making its 20th football appearance at the Metrodome this season since 1983, the most of any Minnesota Intercollegiate Athletic Conference school. The Auggies have a 7-12 record in games played at the Metrodome and an 8-12 record all-time in games played indoors. Augsburg also won an NCAA Division III playoff game over Concordia-Moorhead at the Fargodome in Fargo, N.D., in 1997.

**Subject: No Water in Melby on November 11**

**Submitter: Sarah Bjorklund, Administrative Assistant, Athletics**

**Message:** There will be no water available on Saturday, November 11, from 6 a.m. - 12 p.m. MMC is going to connect the Kennedy Center water main. Everything should be back in working order in the afternoon. Sorry for the inconvenience.
