We will be singing songs and spending time praying for one another, for ourselves, and for the world. Then, we'll have homemade cookies and milk as usual. Everyone is welcome-- you don't need to be an athlete to attend. We hope to see you tonight!

New drivers can begin applying now on the website. Here's how:

3. click on the link, "Additional Drivers"
4. Type "Augsburg College" in the line for "Member Name"

If you would like to use the car for personal appointments, a personal account can also be opened. Drivers will be responsible for covering all personal expenses.

Brief on-campus New Member Orientations will soon be scheduled for drivers under the Augsburg College membership. New Member Orientation is a great opportunity to learn the ins and outs of HOURCAR membership, learn about making and changing reservations as well as specific "how-to" information related to driving a Toyota Prius. Each driver will also be asked to submit one "Attachment B" form and will receive his or her own key fob and login to the online reservation system at New Member Orientation.

You will be contacted when the Orientation schedule is finalized. In the meantime, if you should have any questions, please email info@hourcar.org or call 651-221-4462. Thank you for your interest.
