**Subject: Extra May Graduation Tickets?**

**Submitter: Kelly A Sve, Student**

**Message:** I would greatly appreciate any donation of extra May 5th graduation tickets that anyone has.

I have an uncommonly large immediate family and it would mean a lot if my family could be there, because I am the first person in my family to graduate from college.

Please contact me at [svek@augsborg.edu](mailto:svek@augsborg.edu)

Thanks!

**Subject: iPod Nano for Sale**

**Submitter: Rachel M Olson, Student**

**Message:** Would you like an iPod nano for a much cheaper price? I am selling my 2nd generation, black, 2 GB iPod! Purchase will include ear buds, USB cord, and an "agent18" clear hard case to protect from scratches (which was about \$25)! The iPod is in great shape and has hardly been used at all.

I am asking \$99 (or best offer) for it (including the earphones, cord, and case). If you go to buy a 2GB Nano now, it will be \$149 and it won't include the case.

Please email me or call with any questions.  
thanks, Rachel Olson
