**Subject: Summer Research Position Available in Biophysics**  
**Submitter: Benjamin L. Stottrup, Assistant Professor, Physics**

**Message:** I am looking for a hard working and diligent student interested in doing summer research in biophysics. The project will study the transbilayer diffusion rates of phospholipids in lipid membranes. Compensation rates will be competitive to the URGO program.

If you are interested please contact me immediately ([stottrup@augsborg.edu](mailto:stottrup@augsborg.edu)).

To formally apply please answer the following questions by 5:00 pm Wednesday April 25 (email is preferable):

- 1) Why are you interested in doing summer research?
- 2) What in your background makes you qualified to do research in Biophysics... ("I have taken O-Chem..." is a great answer...)
- 3) What is your availability during the summer of 2007? (Are you taking any trips or classes?)
- 4) What are your plans after college?
- 5) Please provide the name of an Augsburg Faculty member who could speak on your behalf.

Decisions will be made by the end of this week (April 27).
