THE DECEPTION
adapted by Steven Epp and Dominique Serrand
from "La Fausse Suivante" by Pierre Marivaux
directed by Dominique Serrand
Oct. 13 - Nov. 25
first presented at La Jolla Playhouse, July 17 - Aug. 19, 2007

"a dark, tantalizing, thoroughly Jeune Lune vision... remarkable!"
— The San Diego Union-Tribune

Suspecting her husband-to-be of betrayal, a fetching young heiress disguises herself as a knight to woo the hand of the countess he desires. In this new adaptation of an 18th century romp, Theatre de la Jeune Lune brings their incomparable wit and physical exuberance to the perils of courtships in a deliciously nasty game of love, sex and power.

Student Survey About Diversity

SUBMITTED BY **ANN L. GARVEY, VICE PRESIDENT OF STUDENT AFFAIRS, STUDENT AFFAIRS**

Augsburg College staff and administrative departments are working on a Diversity Strategic Plan.

To do so, we need input, especially from students, on what the college does and does not do to advance its mission: "To nurture future leaders in service to the world...by an intentionally diverse campus community."

You are invited to complete this online survey. The address is
http://www.surveymonkey.com/s.aspx?sm=VBBXRIVBPZXDDP7SMQyQ_3d_3d

This is exciting, timely and important work, and we are grateful for your help. This survey will take approximately 20 minutes to complete.

Your decision whether or not to participate will not affect your current or future relations with Augsburg College. If you decide to participate, you are free to withdraw at any time without affecting those relationships. The records of this study will be kept private. In any sort of report that we might publish, we will not include any information that will make it possible to identify any specific student. Research records will be kept in a secure file on a secure server.

Upon completion of the survey, you will have an opportunity to enter a drawing for a \$50 gift card to Barnes & Noble.

Questions regarding this survey can be directed to Ann Garvey at 612-330-1168, garvey@augsborg.edu, or Campus Box 72.

Keeping Track of Auggies

Rita Kaplan

SUBMITTED BY **PAUL C. PRIBBENOW, PRESIDENT, OFFICE OF THE PRESIDENT**

It has recently come to my attention that a former member of our Augsburg community has passed away. Rita Kaplan worked at Augsburg from 1988 to 1997, playing a key role in establishing our Paideia program while working on external outreach projects as Assistant to President Charles Anderson. Rita built on her social work education and background throughout her multi-dimensional career, including serving as President of the St. Louis MO League of Women Voters, Executive Director of the National Association of Social Workers of MN, Acting Director for the Sister Kenny Foundation, and working with the Honeywell and Bush Foundations. Rita's husband, Manny, was an integral part of the early development and growth of Augsburg's PA program, serving as Medical Director and instructor. Services for Rita have been held, and memorials are preferred to the University of Minnesota Hospitals or Minnesota League of Women Voters. We are grateful for the legacy Rita leaves, and we remember Manny and family in our prayers.
