

Subject: Campus Solutions to Global Warming Event Wednesday
Submitter: Thomas S Ruffaner, Day Custodial Supervisor, Custodial Services

Message: Augsburg Environmental Stewardship Committee is a hosting site for the National Wildlife Foundation's Chill Out! web cast this Wednesday from 2:00 until 4:00 PM in the Century Room. The event is a nation-wide Earth Day live broadcast about how college campuses can create positive solutions to the global warming dilemma. Hear how college students and staff are dealing with the issue on their campuses and meet with Augsburg students, faculty and staff who are working for a more sustainable Augsburg campus.
