Price of Pleasure: The Discussion Continues Today

SUBMITTED BY **ELIZABETH HANSON, STUDENT**

Please join us TODAY for the Second Tuesday Brown Bag lunch at the Women's Resource Center (207 Sverdrup) from Noon - 1 p.m., as we continue to talk about the issues raised by our recent event, "The Price of Pleasure." We heard from an anti-prostitution and anti-porn activist as well as from a current sex worker, each making compelling arguments about the effect that porn (and popular media) have or do not have on our private relationships. Bring your lunch and join us for what promises to be a very interesting discussion!

All are welcome - whether or not you came to the event!

Looking for Co-Leader for New Orleans Spring Break

SUBMITTED BY **BRIAN NOY, CAMPUS KITCHEN COORDINATOR, CENTER FOR SERVICE WORK AND LEARNING**

A group of students and myself are planning for this year's alternative spring break trip to New Orleans. This is separate from Campus Ministry's trip and has been called Pedalers for Peace the last two years. Our plan is to take the train to north of New Orleans with our bikes, bike and camp along a 100 mile stretch into New Orleans, and volunteer with different organizations along the way. The goals are to be of service to the bay area communities, learn the current issues, and travel in a sustainable manner.

We are looking for a staff/faculty member who would be interested in co-leading the trip with me. I led it last year and it was powerful experience. If you would like to know more, please contact me soon at X1624
