General Announcements

Students Leave for School of the Americas 11/21

SUBMITTED BY **KRISTIN FARRELL, CENTER FOR SERVICE WORK AND LEARNING**

Forty Augsburg Students and two staff members from CSWL will depart Friday morning at 8 a.m from the Foss Center to travel to Columbus, Georgia to attend the School of the Americas Protest. The protest seeks to close the School of the Americas (SOA). The SOA has trained over 64,000 Latin American soldiers in courses such as counterinsurgency, psychological warfare, and interrogation tactics. Graduates of the school have been consistently linked to human rights violations and to the suppression of popular movements in the Americas.

Among those targeted by SOA graduates are educators, union organizers, religious workers, student leaders, and others who work for the rights of the poor. Hundreds of thousands of Latin Americans have been tortured, raped, assassinated, "disappeared", massacred, and forced into refuge by those trained at the SOA.

Please come to send off students taking this trip this Friday morning at 8 a.m. There will also be a send off at the end of Wednesday's Chapel.
