### Temporary Housing For Rent

SUBMITTED BY **BRIAN NOY, CAMPUS KITCHEN/COMMUNITY GARDEN, SABO CENTER FOR CITIZENSHIP AND LEARNING**

My partner and I would like to get to Hungary to see the family, and are looking for folks to sublet our home while we're away to finance the trip. Our travel dates are completely flexible (anytime really), and will depend on when we fill the space. If you know of someone looking for short term housing, please let us know. Compensation is flexible. A little bit about the place:

1200 square feet, on south corner of lot with plenty of sun  
Classic 1925 duplex just completely renovated  
Completely furnished with homebrew on tap  
2+ bedrooms  
In Corcoran neighborhood, short walk to LRT stop, Powderhorn Park, YWCA, farmers market, and plenty more

Also, our permanent tenants are moving out in the near future. Looking to rent out 2 bedrooms, also brand new, for around \$800/month. Great for students
