Community Action Panel: Ending Homelessness

SUBMITTED BY **RACHEL CHRISTINE OKERSTROM, STUDENT**

Time: Thursday, November 18 · 4:30pm - 6:00pm

Location: Cooper's Coffee Shop

It's almost winter and tonight there are an estimated 13,000 people in Minnesota without a place to call home - many of whom are children, veterans and individuals struggling with mental illness. Believe it or not, just a few decades ago, systemic homelessness did not exist in our state! Do you wish you felt more equipped to do something about this injustice plaguing our community??

Community LINK invites you to come hear 4 incredible panelists, whose organizations are working daily to eliminate homelessness in Minnesota, tell us some stories about the work that they do and talk about how WE can be involved!

There will be snacks to share and time to chat with the panelists afterwards. Please join us for a powerful time of sharing, and bring your friends!
