Public Safety and Facilities Announcements

Attention MOA Nickelodeon Universe Fans

SUBMITTED BY JENNIFER K KELLOGG, PUBLIC SAFETY OFFICER, PUBLIC SAFETY

Bloomington PD & MOA are looking for volunteers to help practice emergency procedures on Sunday, November 21st in the Park at the Mall of America. They're looking for 4-5000 people to assist. You'll get to ride all night for FREE and walk away with an all day FREE pass for another day!

At 5 P.M., check in at the East Side Entrance of the park at the Nic Fic area. When you check in you will receive a wrist band and receive more information. Then Enjoy the rides!

After 7:30 p.m., you'll practice an emergency drill, maybe more than once. You will be expected to comply with the direction of the Park Employees for these short drills. Bring your patience as they work out any bugs!

The closing time of the park is yet to be determined (you will be told at check-in) but will be in the area of 9 and 10 p.m

At the end of the event, return to the check in area to receive a day pass for NU! This \$30 ride pass is the Mall of America's way of thanking you for helping with Emergency Drills until the end.

Please direct your questions to Dan Murphy, Bloomington Police at dmurphy@ci.bloomington.mn.us or Heidi Buegler of Mall of America Security at heidi.buegler@moa.net

Winter Bicycle Parking

SUBMITTED BY JANINE R BORCHARDT, ASSISTANT DIRECTOR OF PUBLIC SAFETY, PUBLIC SAFETY

Bicycles must be parked and locked in approved bicycle racks on campus. Bicycles parked along fences or other unapproved areas may be damaged during snow plowing or may be removed by Public Safety to allow for plowing.

Those who do not plan to ride during the winter months are encouraged to store their bicycles at their home/parent's home if possible. Thanksgiving break is a good time to load it up and take it home.

If you do plan to ride in the winter, Check out the new covered bike rack at the corner of Butler Place and 22nd Ave S, near Resident parking Lot B.

There are also a limited number of bicycle lockers available for rental for a small fee. For more information, e-mail borcharj@augsborg.edu.

Teaching and Learning

Teach Abroad, Propose by Dec. 15

SUBMITTED BY ANDREA W. DVORAK, SHORT TERM PROGRAM COORDINATOR, INTERNATIONAL PROGRAMS

In honor of International Education Week, I invite all Augsburg faculty to consider ways to incorporate the international into their courses. One great way is to lead a study abroad program! Learn all about this opportunity at the next Info Session coming up next Wednesday. We will get your questions answered and hear what other faculty are planning.

Info Session 2

Date: Wednesday, November 24 - NEW date

Time: 3:00-4:00pm - NEW time

Location: OGC 100

The updated proposal form and process are now available in the Office of International Programs Public folder under "Augsburg Abroad," or by contacting Andrea W. Dvorak at the information below.

The deadline for submitting proposals is December 15. Proposals will be reviewed in January and the roster of short-term programs for 2011-12 will be announced in February.

Questions about the Proposal forms or Info Sessions? Contact Andrea W. Dvorak, Faculty-led Programs Coordinator, at dvorak@augsborg.edu or extension x1669.
