

To all graduating seniors in math, chemistry, physics, and biology who want to become middle and high school teachers— come to an information session to hear more about the TC2 Urban STEM Teacher Residency program. This one year, school-based program is designed to prepare you to teach in an urban setting in your content field. Some highlights of the program include:

- Full-year classroom experience with a trained mentor teacher
 - Graduate level course work taught at school site
 - Cohort based program with residents from six Twin Cities colleges/universities
 - Living stipend provided (\$10,000); reduced tuition
- Information session location: Sverdrup Hall 1 (ground floor, just down from the education department.)
Date/Time: January 26, 2012. 3:30-4:30 p.m.

Contact: Vicki Olson (olsonv@augsborg.edu or 612-330-1131 or Education Department offices in Sverdrup). If you can't be at the information session, but you are interested in knowing more about the residency program, I'm your contact and would love to talk with you about it.

Paid Notetakers Needed

SUBMITTED BY **RACHEL KRUZEL, ACCOMMODATIONS ASSISTANT, CLASS PROGRAM**

Do you take good notes in class? Do you want to get paid for making copies of the notes you already take in class? Consider being a notetaker for the CLASS Office and Access Center.

If this sounds like something you are interested in, email your name and class schedule, with section letters, to notetakers@augsborg.edu. We'll contact you if a class you are in is in need of a notetaker.

Have questions or need more information? Email notetakers@augsborg.edu.
