Plants for Free - You Dig

SUBMITTED BY **JILL DAVENPORT, MANAGER, PURCHASING AND CENTRAL SERVICES, PURCHASING AND CENTRAL SUPPORT SERVICES**

I am making some landscaping changes in my new yard and have plants that need to move out. I have orange day lilies, and a green and white grassy type plant (I am no gardener so don't know the name!) Please contact me for photos. If you will come and dig them out, they are yours! I live in south Minneapolis.
