Degree Audit Software Demo

SUBMITTED BY **CATHERINE BISHOP, PROJECT MANAGER IN ACADEMIC AFFAIRS, ACADEMIC AFFAIRS**

During the recent Retention Summit, a key institutional need was identified--degree audit software that would allow students and advisers to track and plan, with greater efficiency and accuracy, progress towards a degree. A team has been considering options and has invited CollegeSource to give a demo of their product suite.

On April 1, at 4 pm in East Commons, there will be a demo of this tool. Everyone who is interested is encouraged to attend the demo. If you are unable to attend but would like to learn more, additional info and video demonstrations are posted at <http://go.augsburg.edu/degreeaudit>. If you have feedback, there is a feedback form provided on the webpage. You may also send feedback directly to Katie Bishop at bishopc@augsborg.edu.
