Public Safety and Facilities Announcements

Plant Available

SUBMITTED BY JILL DAVENPORT, MANAGER, PURCHASING AND CENTRAL SERVICES, PURCHASING AND CENTRAL SUPPORT SERVICES

There is a plant in the Library, by the Gage Center desk, that is overgrown and is going to be replaced. It is available for an Augsburg person to take home, or for several people to take a cutting and start smaller plants. The decorative container belongs to Augsburg and needs to stay here for the replacement plant. Contact Jill Davenport if you wish to take a cutting or the whole plant. Click above to e-mail or call x1297.
