Deadline soon for Student Inclusion survey

submitted by garvey@augsborg.edu

The Student Inclusion survey! Survey closes on Feb. 25 and we need as many student responses as possible.

All Students! Watch for the email inviting you to complete the 2017 Student Inclusion survey. Last implemented in 2014, the results guided Augsburg's work for the past couple of years. Led by the Diversity, Inclusion and Equity Committee, it is time to re-assess what is important for students – day, graduate, Rochester, evening, and transfer!

Please watch your email for the link to the survey. Answers are anonymous – the last question invites you to another link to enter a drawing for 1 of 3 Target gift cards, each \$75.00.
