AUGSBURG STUDENT FATHA SHARIF ABDINASSIR AWARDED
U.S. DEPARTMENT OF STATE'S GILMAN INTERNATIONAL SCHOLARSHIP TO STUDY ABROAD!

The U.S. Department of State is pleased to announce that Fatha Sharif Abdinassir from Augsburg College is one of nearly 1,000 American undergraduate students from 386 colleges and universities across the United States selected to receive the prestigious Benjamin A. Gilman International Scholarship to study or intern abroad during the 2017-2018 academic year. Fatha is a junior majoring in Economics. She will be studying for a semester at our Exchange Partner school, Sejong University in Seoul, South Korea.

Gilman Scholars receive up to \$5,000 to apply towards their study abroad or internship program. The Gilman scholarship supports American undergraduate students of limited financial means to study or intern abroad and, since 2001, has enabled more than 24,000 outstanding Americans of diverse backgrounds to engage in a meaningful educational experience abroad. The program has successfully broadened U.S. participation in study abroad, while emphasizing countries and regions where fewer Americans traditionally study. The Gilman Program is sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs and is supported in its implementation by the Institute of International Education (IIE).
