Public Safety would like to remind you of some awareness tips to help prevent theft occurrences:

- Never leave personal items unattended. Theft occurrences can often happen in under 5 minutes so remember to always take your things with you.
- Do not prop doors open to ensure only the people who have access to that space can gain entry.
- Always be aware of your surroundings and report suspicious activity to Public Safety.

If you have concerns or need to report something, call Public Safety anytime at 612-330-1717.
