### Age 60+, you have to do this – help a student researcher

submitted by [garvey@augsborg.edu](mailto:garvey@augsborg.edu)

This is a really interesting study and a great research project.

As previously noted in A-mail:

We are seeking eligible participants who are 60 years of age or older to participate in a facial perception study on campus this summer. Participants will have their eye movements monitored by a specialized camera while making judgments about images of human faces. The study is expected to take 30 minutes, and eligible participants will receive \$10 USD as compensation. If you, or someone you know, are 60 years of age or older, please contact [enriquej@augsborg.edu](mailto:enriquej@augsborg.edu) for more information.

### Last Chance to Register for the 2018 Vocation Conference is Friday, June 22

submitted by [colonj@augsborg.edu](mailto:colonj@augsborg.edu)

Augsburg Faculty and Staff:

You are invited to attend the twenty-fourth annual Vocation of a Lutheran College Conference at Augsburg University from Monday, July 16 to Wednesday, July 18.

Each year, five faculty members from each of the ELCA Colleges come together to explore the distinct roles that they play in higher education. One of the benefits being the host site is that we have the option of inviting more than five people to attend. This year's theme is "Civil Discourse in a Fragmented and Multi-Religious Society." The conference will begin with an opening session at 5 pm followed by a dinner at 7:00 pm on July 16 and conclude by 1:00 pm on July 18.

Register and learn more on the conference website:
