Augsburg University is participating in the 2018 Great Colleges to Work For survey. The survey opened Monday, February 19 and will remain open until Monday, March 5. Eligible participants received an email from ModernThink which contained a survey invitation and link to the survey.

Important things to note:

- Survey takes approximately 20 minutes to complete.
- Your responses to the survey will be completely confidential. ModernThink LLC, an independent survey firm, will not provide Augsburg with any information that would enable us to trace survey data back to any one individual.
- Your participation is very valuable and desired, but voluntary.

Human Resources recognizes that many members of our community have work that does not require use of a computer, or who may not have a dedicated office. We will be hosting computer lab sessions for employees to ask any questions they might have, get assistance with the process, and complete the survey.

Final Lab Session (NOTE location change!):

March 2—10:00-11:00 am, Sverdrup Hall 201
