Michael Grewe, LGBTQIA+ Director conference presentation

submitted by garvey@augsborg.edu

Michael Grewe, LGBTQIA+ Director, is presenting at the Creating Change Institute, held Jan. 24-28, 2018. This year's conference is partnering with the National LGBTQ Task Force to provide 19 day-long Institutes as part of the overall conference. Michael and colleagues are presenting The Allyship Institute, focused on those interested in ways to engage in allyship with LGBTQIA+ communities, as well as being accomplices to interrupting and dismantling systems of oppression. Participants will consider how allies dedicated to the work of collective liberation movements can help create inclusive and accessible environments in the different positions where they live, work, and worship.
